

CATANDUANES STATE UNIVERSITY

ANNUAL REPORT 2024

About the Cover

The cover design of this 2024 Annual Report features a stylized abaca plant—an emblem of resilience, growth, and innovation. Catanduanes, hailed as the Abaca Capital of the Philippines, finds deep cultural and economic identity in this indigenous plant. The abaca leaves in vibrant hues of orange and blue symbolize the dynamic energy and collaborative spirit of the University.

Emerging from the plant are root-like circuits, visually merging tradition with technology. These digital roots reflect CatSU's commitment to rootedness in local heritage while embracing innovation, digital transformation, and sustainable development. The circuitry also symbolizes the University's expanding networks in research, education, and community impact—firmly grounded but reaching forward.

The image captures what CatSU stands for: a university nourished by its land and people, yet branching boldly into the future.

THRU: HON. SHIRLEY C. AGRUPIS

Chairperson, Commission on Higher Education

Your Excellency:

Greetings from the Catanduanes State University!

It is with great respect and honor that we submit to your esteemed Office the Annual Accomplishment Report of Catanduanes State University (CatSU) for Calendar Year 2024, in compliance with the relevant provisions of Republic Act No. 8292, also known as the "Higher Education Modernization Act of 1997."

This report outlines the significant achievements and milestones of the University over the past year, made possible through the unwavering commitment and collective efforts of the entire CatSU community.

These accomplishments reflect our continued contribution to the advancement of the country's national development agenda.

The report stands as a testament to CatSU's steadfast pursuit of its vision to provide excellent and quality service to the nation through instruction, research, production, and extension.

Please be assured of Catanduanes State University's enduring commitment to supporting national development and to striving toward even greater heights in the years to come.

Maraming salamat po!

Very truly yours,

ROBERTO B. BARBA, JR. Ph.D.

Officer-in-Charge

Vision

A globally-recognized green research University committed to excellent service to the nation

Mission

Foster excellence, holistic and inclusive education attuned to the demands of a diverse world towards the formation of productive and value-laden lives

Goal

Uphold the tradition of excellence in instruction, research, extension and production geared towards a strong academe-industry interface for societal development

Core Values

Social Responsibility – the University takes part in the collective duty in improving the quality of life in the society.

Excellence – the University commits to high standards in all aspects of its four-fold functions.

Commitment – the University continuously thrives to achieve its vision, mission and goal based on its value system.

Respect – The University honors the rights, beliefs, and dignity of every individual to promote peace and harmony in the community.

Integrity – the University maintains the highest ethical standards and demonstrates honesty, objectivity, and fairness at all times.

Mandate

Pursuant to RA 10229 the Catanduanes State University is mandated to primarily provide advance education, higher technological, professional instruction and training in trade, commerce, fishery, agriculture, Arts and Sciences, Industrial Technology, Nursing, Midwifery, Education, Engineering, Public Administration, Information Technology, and other relevant fields of study. It is also directed to undertake research and extension services, and provide progressive leadership in its areas of specialization.

Quality Policy

The Catanduanes State University commits to satisfy its clientele and all applicable requirements through the continual improvement of its quality management system processes, ensuring excellence in instruction, research, and community service for societal advancement.

About

The Catanduanes State University (CatSU) is the only premier public higher education institution in Catanduanes, and mandated, through Republic Act 10229, to provide advanced education and professional training in trade, commerce, fisheries, agriculture, arts and sciences, industrial technology, nursing, midwifery, education, engineering, public administration, information technology, and other relevant disciplines.

Its origins trace back to Republic Act 3398, which established the Virac National Agricultural Trade School (VNATS) on June 18, 1961. A decade later, Republic Act 6341 was enacted, which transformed VNATS into Catanduanes State Colleges (CSC) on June 19, 1971.

Then, on October 19, 2012, President Benigno Simeon S. Aquino III signed Republic Act No. 10229, officially transforming Catanduanes State Colleges into Catanduanes State University with two campuses, the Virac/Main Campus and Panganiban Campus.

With its 63-year history, CatSU has already produced thousands of graduates and professionals.

Pedro G. Tabuzo was the pioneering president of CatSU in 1971 to 1972. The other past presidents and officers-in-charge are Dr. Jacinto A. Medallada, (1972 to 1986), Dr. Rodolfo V. Azanza, (1986 to 1990), Dr. Ernestina P. Averilla (OIC -1990 to 1992), and Dr. Adolfo S. Bagadiong, (1993 to 2003), Dr. Asuncion V. Asetre (2003-2011), Dr. Minerva I. Morales (2011-2019), Dr. Freddie T. Bernal (OIC - 2019-2021), Dr. Patrick Alain T. Azanza (2021-2024), Atty. Septon A. de la Cruz (OIC - 2024-2025).

CatSU is now headed by Officer-in-Charge Dr. Roberto B. Barba, Jr., who started his tenure this January 2025, and led the university's more than 14,000 student population and 600 faculty members and staff.

Today, CatSU is recognized as one of the most dynamic State Universities and Colleges (SUCs) in Bicol, offering 59 undergraduate programs and 15 graduate programs with its graduates topping various national licensure examinations.

In its commitment to maintaining high quality standards, CatSU is the first and only educational institution in Catanduanes to hold the ISO 9001:2015 certification from TUV Rheinland, Philippines, a status it has sustained since 2018.

CatSU has been evaluated as a SUC Level III by the Commission on Higher Education and internationally recognized in multiple rankings, including the World University Rankings for Innovation (WURI), UI GreenMetric World University Rankings, Times Higher Education Impact Rankings, and Webometric University Rankings.

Guided by its vision to become a globally recognized green research university, CatSU remains dedicated to providing excellent service and contributing to the advancement of the nation.

Message from the Officer-In-Charge

Catanduanes State University

Atty. Septon A. de la Cruz

OIC, Office of the SUC President III
Regional Director, CHED Region V

As we look back on 2024, we see a year marked by transition and a steady assertion of Catanduanes State University's role as a dynamic public institution in the region—deeply rooted in the local, but always reaching forward and outward.

It has been an honor to serve CatSU in concurrent capacity as Officer-in-Charge, alongside my continuing responsibilities as Regional Director of CHED Region V. This intersection of roles has allowed me to appreciate, from both administrative and regulatory perspectives, the challenges and opportunities that shape the academic and institutional life of a state university situated in one of the country's most geographically isolated yet resilient provinces.

CatSU's strength continues to be its people—our faculty and staff whose commitment to public service remains constant, our students whose aspirations drive our reason for being, and our partners in government and civil society who believe in the transformative power of education. Through strategic planning, policy alignment, and responsive programs, the University has managed to move towards change anchored in its mandate of instruction, research, and extension that serves the people of Catanduanes and beyond.

This report reflects the university's collective efforts to remain relevant, accountable, and future-ready. From the implementation of quality assurance measures, infrastructure development, and responsive student services, to initiatives that link higher education to sustainable development, CatSU continues to prove that progress is not confined to location—but is born out of purpose, clarity of direction, and unity of action.

Let this Annual Report serve as a reaffirmation of CatSU's commitment to serve with integrity, lead with vision, and build with compassion. I extend my deep appreciation to the entire CatSU community for your trust, cooperation, and tireless efforts during this period of stewardship.

Let us carry forward what has been built—and build further, together.

ATTY. SEPTON A. DE LA CRUZ, CESO III

Officer-in-Charge, Office of the University President
Regional Director, CHED Region V

Message from the President

Dr. Patrick Alain T. Azanza

SUC President III, Catanduanes State University

The year 2024 stands as a defining chapter in Catanduanes State University's continuing pursuit of excellence, resilience, and relevance. Our work this year was not merely about meeting institutional goals—it was about transforming mindsets, sustaining momentum, and building a future where higher education directly uplifts lives and communities.

At the core of our shared mission is our unstinted belief that public education must serve the people—not only as a means of personal advancement, but as a tool for social transformation. This belief guided every decision we made: from improving academic programs and research productivity, to strengthening our physical and digital infrastructure, to expanding access for marginalized sectors, and ensuring that quality remains uncompromised by limitations.

Our achievements in 2024 were made possible by the collective commitment of our faculty, staff, students, alumni, and partner institutions. We took bold steps in enhancing institutional governance, intensifying innovation and technology-driven initiatives, and championing inclusive development through community-based programs and partnerships across local and global spheres.

This Annual Report is more than a compilation of numbers and projects—it is a solid proof to what is possible when leadership is shared, when integrity guides action, and when vision is aligned with public service.

CatSU is no longer just preparing students for the future—we are actively shaping that future with them. One where education is not confined by walls or titles, but animated by relevance, empathy, and excellence.

As we move forward, we carry with us the lessons of 2024 and the enduring hope that our University will always rise to the challenge of the times—rooted in its island, but with its eyes set on the world.

To all who continue to believe in and build with CatSU, you have my deepest gratitude.

Research and Creative Works

Responsive to our society's emerging needs, the research and development thrust of the University continues to evolve in that direction, taking to mind the conscious effort to instill a research culture among its faculty, students, and non-teaching staff. Research as a driver of academic excellence has scaled to newer paths as it takes a more dynamic focus.

- Meeting on preparations and submission of the PPMP per NEP FY 2025 at the BAC office of Catanduanes State University, Main Campus
- Prepared the Activity for the upcoming event on Training-Workshop on the Application of Industrial Biotechnology on Abaca Waste Valorization to Enhance the RDI Capabilities of the CatSU Community for the Abaca Industry
- Prepared the Project Procurement Management Plan (PPMP) for CY 2025
- Provided logistical support to visitors from the PRDP Regional Project Coordination Office (RPCO)5, Provincial Agriculture Services Office, Provincial Local Government Unit of Catanduanes, and PPDO during their exposure trip, which featured a site visit to the CatSU-ATIC to explore PCIP and VCA initiatives

September 2024

- Training seminar entitled Information and Communications Technology (ICT)
- Parade ng mga Lingkod Bayani for the 124th Philippine Civil Service Anniversary Celebration
- Re-Orientation of the preparation of the work financial plan FY 2025
- Training – Workshop for Risk Analysis and Effective Action and Understanding Risk Based Thinking: Process Failure Analysis
- Orientation with the Monitoring and Evaluation team from IPLAN RPCO5
- Prepared the Work and Financial for CY 2025
- Meeting with BCAARRD via ZOOM
- Training-Workshop on the Application of Industrial Biotechnology on Abaca Waste Valorization to Enhance the RDI Capabilities of the CatSU Community for the Abaca Industry

October 2024

- Participated during Language and Literature International Conference
- Participated during the CatSU Foundation
- Participated in iShare Stories of Inspiration and Creative Research
- Attended in the Food Safety and Abaca Sustainability Training for Livelihood Improvement and Value-Addition Workshop of DOST

November 2024

- Fieldwork Activity: Morphological, Physical and Molecular Characterization of Local Abaca varieties in Catanduanes Towards Genetic Resource Management in Support of the Abaca Industry
- Attended meeting on Catanduanes Abaca Industry Development Council (CAIDC)
- Facilitated the C2C Stakeholders Forum in Pandan Catanduanes
- Participated in the 11th Philippines I Transform! Leaders Convention (PITLC)

December 2024

- Attended Three-day Training on Crafting Future Innovations: A Writeshop on Research Proposal Packaging
- 2024 RDLead Conference and Year-end Assembly DOST-NRCP
- Research, Development and Extension (RD&E) Planning Workshop and Stakeholder's Forum for CY 2025 "Empowering Innovations and Community Impact: Navigating the Future of the Province through RD&E"
- Good Agricultural Practices Seminar
